

Senior Section Newsletter

SPRING 2011

Where does the time go? It seems no time since the New Year when we were thinking about Thinking Day Celebrations and now the sun is out – and hopefully here to stay – and we are planning Summer Camps and Pack Holidays and outdoor activities to fill the Summer Term.

SUMMER TERM VISITS

We will now organizing evenings to come to your District to have Young Leader and Senior Section meetings. This is an opportunity for you to get together with other Young Leaders and Senior Section girls in your District. It is also a chance to gather some ideas for use in your meetings and quiz us for any help you may need with schemes and qualifications. Please pester your DC's to arrange

OPPORTUNITIES INTOPS

A reminder that Pam is looking for girls aged 14-25 who are interested in International Opportunities ready for trips in 2012 to Finland, Sangham, Russia and Kenya! These trips are certainly life changing experiences – speak to any girl who has had the opportunity to go and they will tell you that.

A PLEA FOR YOUR IDEAS

We are looking to arrange a county Senior Section trip but want to find out interest before we spend time organizing it. We have many ideas ourselves but want to organize something that you all want
