

“The Beach Party”

Herefordshire Senior section Ultimate Adventure 2010

On Saturday 10th July our group of 26 Senior Section members and Leaders from the county gathered to travel to Oxwich Bay for our Ultimate Adventure. We loaded the bus with food, drinks, buckets and spades and all sorts of games for the beach! The journey down was occupied with a quiz that involved prizes! On arrival at the beach we were disappointed that the sun was not shining brightly, but none the less we unloaded all our equipment and set up our base camp. Then followed a morning of beach games including, cricket, kite flying and collecting the largest sea shells. Unfortunately it did rain and we all got a bit wet - but thankfully it did not go cold and the clouds blew away leaving us with dry weather. After a fine picnic provided by Anne, a wide game with various beach challenges was undertaken allowing girls to win items to use in their Sand Castle competition.

Sand Castle Competition

Who can build the **Tallest**
The **widest**
And **decorate**

The girls split into 3 groups to enthusiastically set about building their sandcastles. Each sandcastle had a given set of criteria that it had to fulfil. Even Susely took part in the competition building her own sandcastle. It was very difficult to pick a winner as all the sandcastles were very good. However the Tupsley girls were crowned champions. It was then time to pack up and head to Swansea to get Fish and Chips for our dinner; which we ate on the sea front. After our return journey to Hereford we unloaded the bus and departed homeward - all very tired but in agreement that it was a great Adventure!!
