Hi I am Sharon Elliott and I have been in Girlguiding for 3 years where I started off helping with catering for a pack holiday. I have been here since and helped with a guide unit and I am running a Brownie Unit at present. I so enjoy working with girls of all ages you get so much back and I find it a great watching them develop and achieving their goals. Feel free to contact me anytime. See details below

We appreciate that some of you are on your own and would like to join up with other members from time to time. So we are going to try something new!! From January 2012 Anne & Sharon are going to start a County SS meeting once a month. It is open to all SS/Ranger members including Young leaders. For the whole county! The first one is going to take place at WestFailingStreet from 8.30pm – 10pm on Friday January 13th....honest! It will always take place in Hereford as this the most central place in the county. However the times will vary dependent on where we go. So instead of your usual meeting come and join us and meet people from all over the county. Please contact Anne Llywelyn-jones to let her know that you are coming on the e-mail below.
